Earl Grey School

School Digital Citizenship Plan 2026-27

Relevant contextual information about your school and School Development Plan:

- K-6 school with 40 % EAL population
- Student literacy will improve: How will explicit writing instruction and purposeful writing task design improve student writing proficiency
- and confidence?
- To strengthen student belonging and connection through culturally responsive practices: How will embedding culturally responsive practices across subjects strengthen student belonging, identity, and engagement?
- Earl Grey School is a multi-digital school with Chromebooks, iPads and Robotics

Relevant evidence and data that informs your Digital Citizenship Plan:

- K-6 teachers use Google Classroom to communicate classroom learning to families
- Learning and Literacy Program: Students within this program have access to a 1:1 device (Chromebooks)
- Students in Grades 1 - 6 work with technology on a regular basis and can access software such as G-suite for use in classroom learning
- Frequency of technology being signed out by individual classes is increasing
- Various digital tools are available for staff and students such as Read & Write, Education Minecraft, Orbit Notes, G- Suite, Boom Cards, Canva, Curio, Evo Ozobots, Blocky, Mathletics, Math UP, Reading Eggs, Music Play, Scratch, Lalio, Media smarts

School Digital Citizenship Plan						Progress		
Long Term Goal	**Competency**	**Short Term Goals**	**Outcomes**	**Activities & Resources**	**Measures**	**November**	**January**	**June**
