

Christmas Concert Updates!

The Christmas concerts are coming along! Here is an update for **all** parents for their children in their classes. **Please** let Mrs. Sorensen know if your child **will not** be present for the 6:30 p.m. performance. This effects the entire class on their choreography! **Speaking parts** have been assigned. **Please practice** these parts with your child and have them **memorize** for Monday, December 11. All students should have received a copy of their part. The following is an update for costumes for all grades. Thank you in advance for supporting not only your child, but the whole school in this exciting event!

We have a very small parent group who have been helping with costumes and organization for the concerts. If you are willing and able to help, please let us know!
