Re: Playground Update and Design Reveal

Dear Earl Grey Community,

After 11 months of hard work, planning, and collaboration, the playground design is ready to go. The playground committee has put in countless hours — from surveys and meetings to fundraising and grant writing — and we are excited to share the progress.

Playground Design Update

Towards the end of 2024 we finalized the playground design and colours to secure the 2024 pricing and are pleased to share it with you. Attached please find drawings of the new playground design and colours.

Key features include a pour-in-place rubber surface for safety and accessibility, along with looped play areas, climbing structures, flying foxes, monkey bars, slides, a spinner, musical elements, imaginative play areas and quiet spaces. Our design prioritizes inclusivity, catering to children of all abilities, including thoughtful considerations for sensory differences, neurodiversity and a range of risk tolerances.

In the coming months we will provide additional images that show the new structure in relation to the North play structure and the school.

Fundraising Update

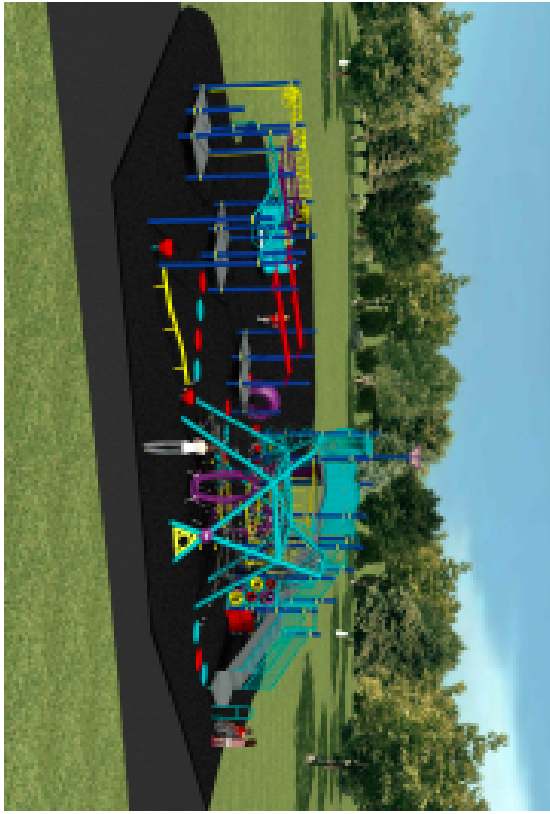

We are nearing the end of our fundraising and brick campaign. To meet our summer 2025 installation and \$480,000 project goal, we have \$45,000 to still raise through donations and are awaiting confirmation regarding \$150,000 in grant applications.

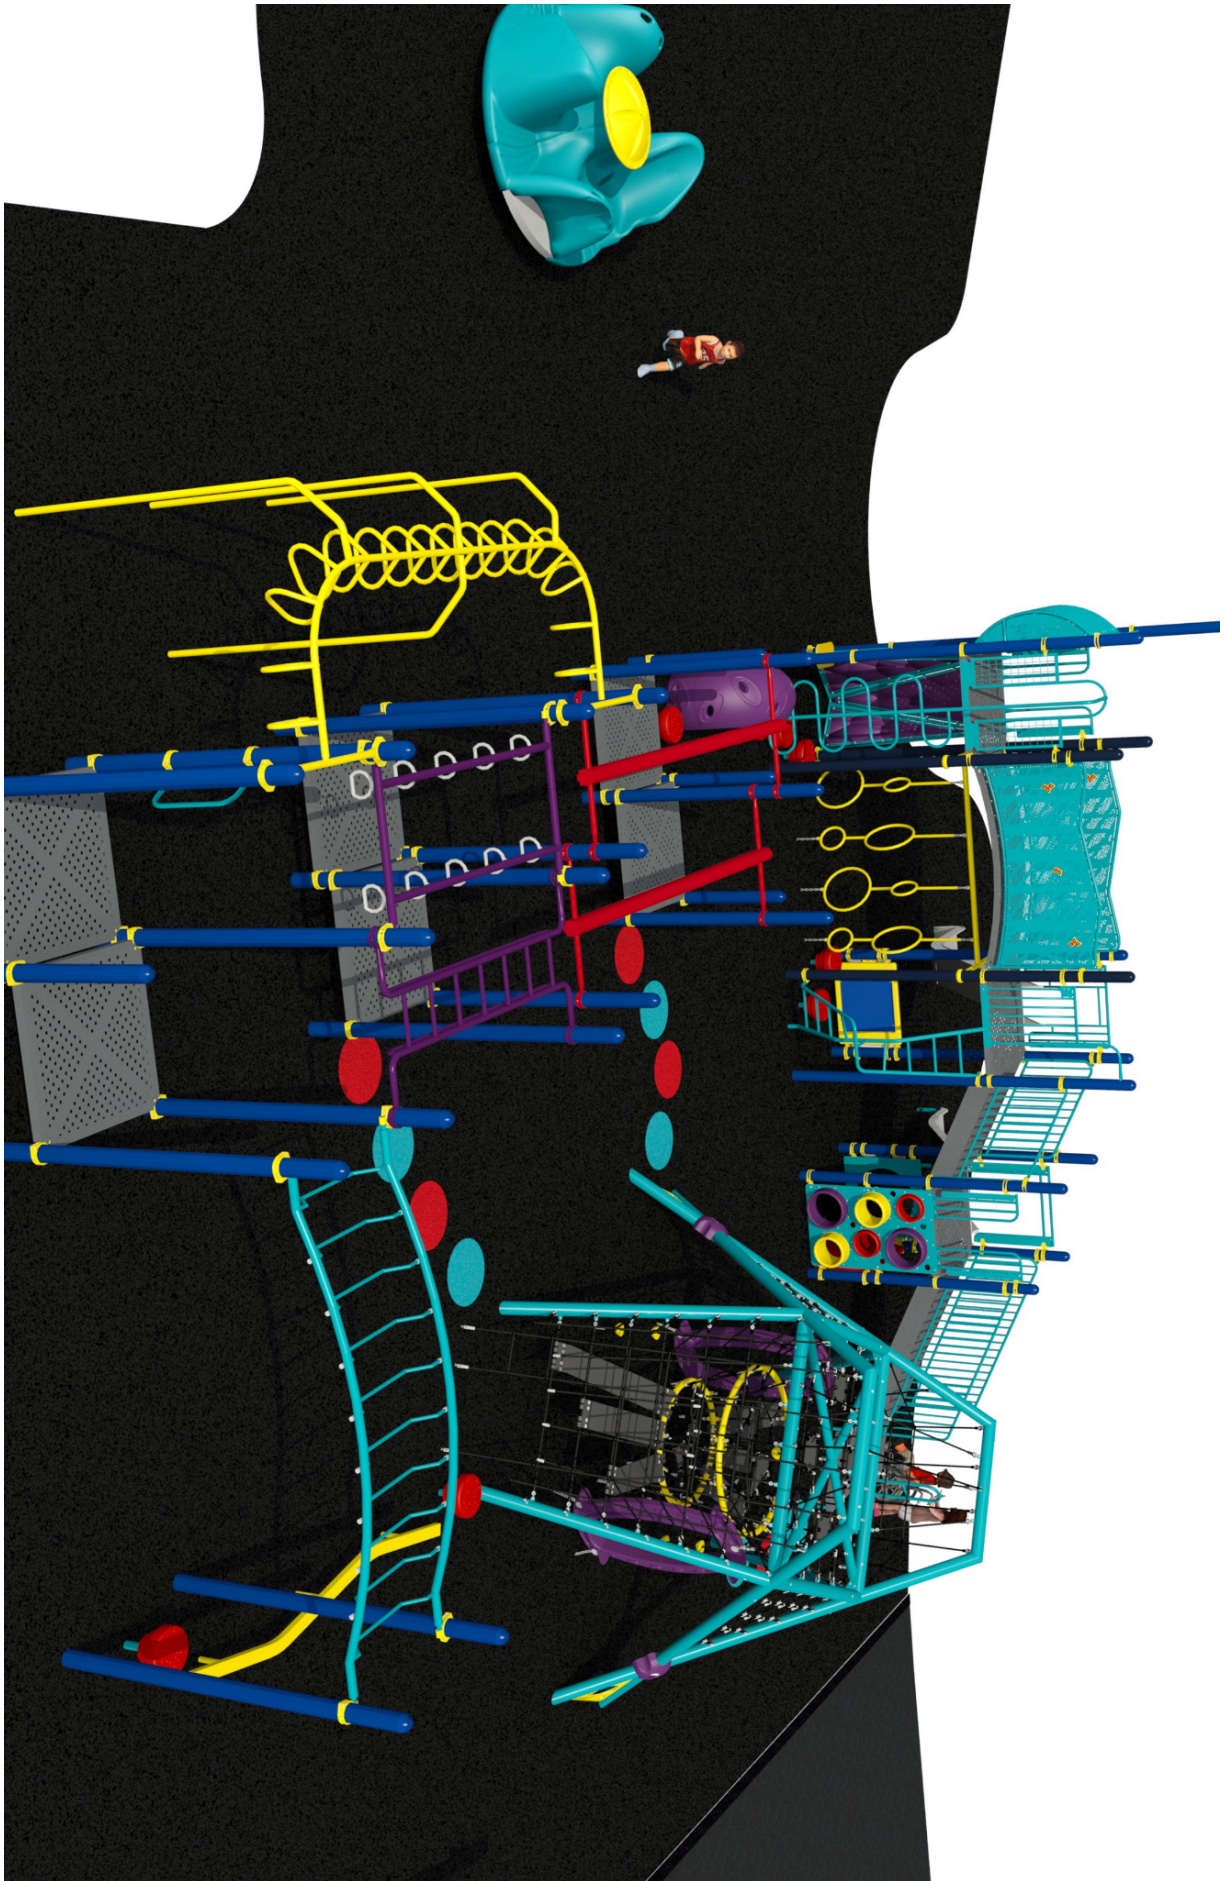

If you have been considering a donation, please donate now, as we will be ending the brick campaign at the end of March. Please help spread the word to anyone who might be interested in supporting the project and leaving a legacy at Earl Grey School.

Thank you all for your continued support. It's been a true team effort, and we're thrilled to see it coming together!

If you have any questions or would like additional information please email earlgreyplayground@gmail.com, or check out our website www.egplayground.ca.

With Gratitude,
Your Earl Grey Playground Revitalization Committee

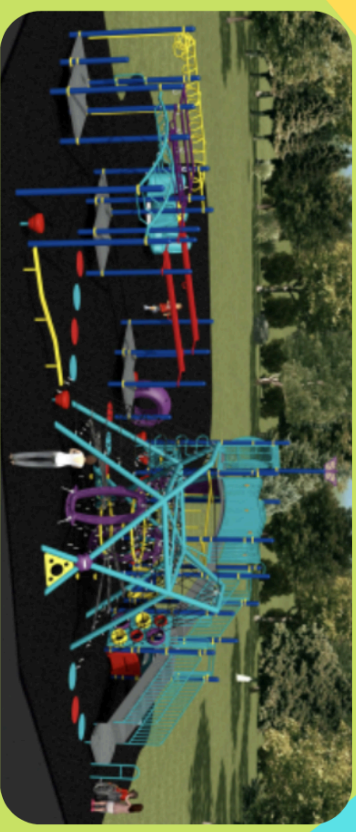

The Final Bricks: Last Call For Donation Earl Grey Playground Revitalization

Thanks to your incredible enthusiasm and generosity, the new playground is about to become a reality! The design is set, the kids are excited, and our build date is fast approaching.

This is your LAST CHANCE to leave your mark. Buy a brick and be a part of this space where children can play together and grow together.
